

SEAFRIGO GROUP

Food Logistics Specialist under controlled temperature

■ Freight management ■ Contract logistics ■ Value added services

Antwerp Cold Stores joins Seafrigo Group!

With a strategic position in Antwerp, a key player is born in Belgium! Our common ambition is to become the number 1 for the logistic of the perishable goods.

We're specialists in **Freight forwarding**, **Contract logistics** and **Value added services**.

Our DNA is transport and under controlled temperature storage of perishable foodstuffs.

Antwerp Cold Stores and **Seafrigo Group** share the same values: **Commitment / Proximity / Customer satisfaction**.

KEY FIGURES

- 18 millions € turnover
- 16,000 m² under controlled temperature facilities in Antwerp
- 20,000 TEU / year imports and exports
- 42 experienced employees

STRATEGIC POSITION

- A stone's throw away from the most important container terminals
- In the economic center of Europe nearby all major consumption areas
- Port centric location with excellent hinterland connections

Antwerp Cold Stores

Antwerp Cold Stores is the leading logistics cluster for the food industry on the left bank of the port of Antwerp, a stone's throw away from the most important container terminals: DP Gateway with a capacity of nearly 5 million TEU and MSC PSA European Terminal with a capacity of 9 million TEU, the largest container terminal in Europe. The port of Antwerp is located in the economic centre of Europe and reaches the major consumption areas.

Seafrigo Group

For 45 years, the Seafrigo Group has developed a worldwide network in food logistics within the refrigerated space leading to business partnerships with global clientele and brands. Today, we operate 19 offices on 5 continents which allow us to offer a strong international network with multiple platforms to fit our customer needs. Full member of the Seafrigo group, Seafrigo Belgium was founded in 2005. Thanks to its 18 employees, Seafrigo Belgium's activities are moving over 10.000 containers yearly.
