JOB OFFER

Warehouse Manager

Seafrigo USA is looking for a flexible, energetic, and motivated professional to fill the Warehouse Manager position in our Miami, Florida location. You will be working for a world leader in “one stop shop” solutions from freight forwarding to customs brokerage, from warehousing to domestic transportation, so experience in the freight/warehouse industry will set you apart. Seafrigo deploys unique solutions that allow our customers to optimize the supply chain of their food products. We would like to invite you to apply to be a part of this amazing company.

The Warehouse Manager is accountable for the overall warehouse operation, which receives and stores, moves and ships supplies, stock and materials to and/or from the warehouse. Manage the overall operation and ensures the safe and effective storage and distribution of customer goods on time and without damage.
