Seafrigo at Fruit Logistica Berlin!

Seafrigo teams from around the world were present at the Fruit Logistica trade fair in Berlin at stand E-15 until February 6th, 2026! [...]

📅 February 04th, 2026

At Seafrigo, we place great importance on trusted partnerships!

Our collaboration with Amelkis Solutions is a perfect example of this dynamic, and this testimonial with Anthony Jean was an excellent opportunity to exchange ideas with their teams at our premises. [...]

📅 February 11th, 2026

Exceptional Air Charter by Seafrigo Airfreight

The Seafrigo Airfreight teams had the opportunity to organise a fully dedicated aircraft (A320 charter) to transport security equipment to Bangui. [...]

📅 January 27th, 2026

New front-of-package labelling requirements are now in effect in Canada as of January 1, 2026.

Health Canada mandates that a front-of-package “magnifying glass” nutrition symbol appear on the packaging of foods high in saturated fat, sugars, or sodium.

At Seafrigo, we offer a turnkey solution to streamline your exports to Canada [...]
