YOUR TUNA delivered with confidence

Ecuador is one of the main suppliers of tuna to France, with around 11,000 tons exported each year, confirming its key role in supplying the French market.

Seafrigo offers shipping and logistics services tailored to the specific needs of importers.

Our Customer Service team provides **personalised and responsive support** at every stage of the tuna import process from Ecuador to France.

From the Pacific to your markets: a fully managed supply chain

Every year, Ecuador plays a key role in supplying tuna to the French market. Behind these shipments lies a major challenge: ensuring freshness, quality and consistency. [...]
