A look back at Disability Week at Seafrigo

Our employees first took part in the StreetCo challenge, a community initiative that allows people to report obstacles in the city. A simple gesture that improves mobility for thousands of people, including parents with pushchairs, senior citizens and people with disabilities, while generating a donation for the Comme Les Autres charity. [...]

The end-of-year festive season is a time for sharing!

Following the success of last year's collection, SEAFRIGO renewed the initiative in partnership with La Minut'Rit and the Secours populaire français. Thanks to the commitment of our teams, the collection is now complete, and we are proud to be handing over numerous donations to those who need them most.[...]
