Seafrigo Vietnam: Seafrigo Group opens a new office in Asia

Seafrigo continues its development in Asia and launch a new office in Vietnam.

📅 September 25th, 2024

in

SEAFRIGO Airfreight opens its new 7,500 Sqm logistics platform in the Paris Orly airport, near Rungis International Market.

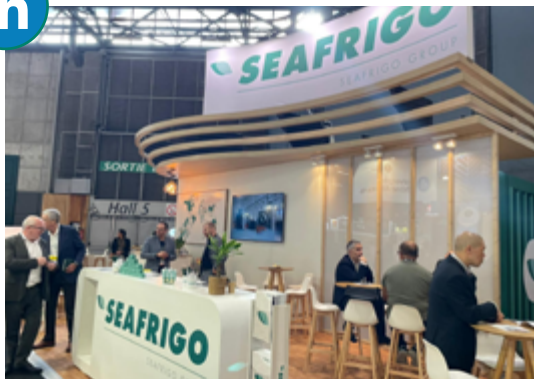

The new Seafrigo Group platform, built according to the latest environmental standards has 2,600 pallet positions & temperature-controlled storage ranging from -20°C to +15°C.

**PATRONAGE MISSION
IN IVORY COAST**

SEAFRIGO organized a mission to schools and orphanages in Ivory Coast in partnership with Arnaud WUST, President of the association Xam Xam

This mission included fruit trees planted in schools, more than 5,000 books distributed to children

SEAFRIGO teams from all over the world were present at SIAL Paris & at Fruit Attraction in Madrid

SEAFRIGO's international teams were in Paris and Madrid in October for the SIAL and Fruit Attraction trade fairs!

SEAFRIGO had the pleasure of welcoming its customers, partners and employees to share a moment of exchange in the heart of Paris.

The opportunity for Eric Barbé, President of the Seafrigo Group, to (re) present the company and its projects.

COMING SOON

Seafrigo Australia will open a new temperature-controlled warehouse in Melbourne at the end of the year!

This new 9,500m2 warehouse will be strategically located near Melbourne Airport with direct access to a logistics hub and will benefit from strong connectivity to major highways for efficient local distribution.
